

## INFORMATION AND FEES

Beck Newton has extensive health sector experience. She’s an Accredited Practising Dietitian, Registered Nurse, Credentialed Diabetes Educator and Credentialed Eating Disorder Clinician with post-graduate qualifications in diabetes, mental health and health coaching / counselling.

Her specific areas of interest include nutrition support and education for:

- Pre-diabetes
- Type 1 diabetes (including CGM and insulin pumps)
- Type 2 diabetes
- Insulin resistance, metabolic syndrome, Polycystic Ovarian Syndrome (PCOS)
- Disordered eating
- Mental health
- Using a therapeutic carbohydrate reduction approach for appropriate health conditions

Beck accepts patients who are paying privately, or who are eligible for a Chronic Disease Management Plan (up to 5 dietetic services - item 10954 or diabetes educator services - item 10951) or Eating Disorder Treatment Plan (up to 20 dietetic services - items 82350 and 82351).

Beck offers in-person or Telehealth (phone or video) consults.

Please note, Beck **does not offer bulk billing**, so there will be out of pocket / gap expenses. All patients (except DVA or self-managed NDIS) are required to pay the full fee at the time of their appointment, and they will receive any benefits from Medicare following their appointment. Patients with private health insurance may be eligible for a rebate, depending on level of cover.
